Service Bulletin

Subject: Replacement due to incompatibility
Item: THC618A - Tachometer

Notice:

An incompatibility has been found with the Faria Tachometer THC618A and 4.3 TKS Mercury engines used on Godfrey's 2012 Hurricane boats. It is recommended that all 2012 Godfrey Hurricane boats using the 4.3 TKS Mercury engine have the current Tachometers THC618A replaced with Faria Tachometer THC618B.

Procedure:

Those Dealers who are selling the 2012 Godfrey Hurricane boats with the 4.3 TKS Mercury should replace the THC618A Tachometers with the THC618B Tachometers from Faria Marine Instruments that will be sent to them at no cost to the Dealership. To receive labor compensation based on the ABA Dealer Direct Warranty of \$20.00 for labor and freight, see the Dealer Direct OEM Warranty for ABA Members fmw-001-0004 rev B for more information about this reimbursement schedule, please complete the following form for each gauge being replaced.

Hull ID Number:
